Temporary Living Made Simple

SOLANA EMPOWERED

## WHO WE ARE

---

Solana Empowered is the smart solution to secure temporary housing. Founded on the core principles of openness, visibility, and diversity, we offer a totally customizable experience on a centralized dashboard. By partnering with Solana Empowered, you can trust you're offering the best temporary living options and experiences to your talent.

## WHAT WE DO

---

By offering a robust, comprehensive platform and a dedicated team of temporary living experts, we streamline the temporary housing process from start to finish. Finding your perfect property can be done in three simple steps:

### Step 1: Search

Solana Empowered features an intuitive search mechanism based on specific criteria to be absolutely certain you meet the specific needs of your talent and their families.

### Step 2: Select

Easily compare properties and proposals side-by-side, and book your stay with one click. No more stacks of paperwork, lengthy email chains, follow up calls, and endless data entry.

### Step 3: Manage

Your entire stay is easily managed within the Solana Empowered experience. Have one central hub and a dedicated team of housing experts to manage every aspect of temporary living.

## OUR SUPPLIER NETWORK

---

The Solana Empowered marketplace is built on the core principles of openness and visibility. We only work with the industry's most trusted brands. For every temporary housing request, you'll be able to compare multiple suppliers and proposals for on a level playing field, getting you the most competitive rates available.

## EMPOWERING DIVERSITY

---

Solana Empowered prides ourselves on our dedication to amplify diverse voices in the temporary housing and relocation industry. As a certified Minority and Women Business Enterprise (MWBE) and Disabled Veteran entity, we bring unique expertise and dedication to improving diversity within your organization's supply chain.
