

MOVE TALENT SEAMLESSLY

Temporary Housing, Simplified

EASY ACCESS TO TEMPORARY LIVING

Solana Empowered is the smart solution for organizations that need to secure temporary housing. We pride ourselves on industry expertise, seamless technology, and marketplace transparency.

Fueled by years of experience, a focus on simplicity, and a comprehensive platform, Solana Empowered is a truly unique solution for all types of temporary housing. With a constantly updated database of over 10,000 properties and a team of experienced experts by your side, you can be absolutely certain you're getting the best options for temporary housing.

EMPOWERED BY OPTIONS

Whether it's a short term assignment, a contracted project, or an employee transfer, we offer solutions for all the complex problems presented by temporary housing. Solana Empowered utilizes a central, streamlined portal that includes:

Search

Easily search our property database based on in-depth criteria

Select

Compare quotes side-by-side to choose properties that meet your needs

Manage

The Solana Empowered team manages the process to simplify the booking, check-in, and check-out.

The Solana Empowered platform improves visibility and accessibility to thousands of top-tier properties, which reduces cost and improves the experience for everyone involved. Eliminate the endless email chains, hours of phone calls, and piles of documents.

Streamline the temporary housing process from start to finish, at any scale necessary for your organization. Solana Empowered does the hard work so you can focus on establishing your talent quickly and effectively.
