

YOUR TEMPORARY HOUSING TEAM

The Solana Empowered Supplier Network

Finding the perfect temporary housing is about so much more than four walls. Choosing a supplier to provide everything you need for your talent's stay has never been easier thanks to Solana Empowered

Our Network

We only work with the industry's most trusted brands, with a proven track record of service and value. For every service request, you'll be able to easily compare offerings from multiple suppliers in one central platform.

Level Playing Field

Solana Empowered doesn't play favorites with our suppliers. When you submit a booking request, each supplier gets the same access to the same information. By leveling the playing field, we've made it easy to get you the most competitive rates available.

Supplier Management

Solana Empowered has a direct relationship with each of our suppliers. You can choose to collect quotes and directly manage your booking with your supplier, or work with the Solana Empowered team to manage the supplier relationships within the platform.

Design your temporary housing dream team with Solana Empowered.

The smart solution for temporary housing
